Product Specification Sheet

Targus Chill Mat™ for Mac®

Part #: AWE41US

Product Description:

The Targus Chill Mat™ for Mac® is designed to keep your Mac notebook cool and comfy in all the right places. Optimally positioned dual fans deliver a cool-down right where the most heat is generated and the soft, breathable mesh bottom provides cool comfort on your lap. Equally at home on your lap or desktop, the Chill Mat's powerful yet quiet fans efficiently disperse heat and protect work surfaces from heat damage. Ergonomically angled and USB-powered for convenient, trouble-free typing. Generously accommodates all Mac notebooks up to 17".

Product Features and Specifications:

- **Dual Fans** - Two quietly powerful fans direct targeted cooling to Mac notebook hotspots revealed by detailed engineering design studies, keeping both you and your notebook cool and comfy and protecting work surfaces from heat damage.
- **Tilt Angle Design** - Unique design features an ergonomically positioned tilt angle for comfortable use on both lap and desktop.
- **Soft Mesh Bottom** - Breathable, soft mesh bottom facilitates air flow and keeps your lap comfortably cool.
- **USB Powered** - Connects and powers conveniently from your laptop's USB port.
- **Versatile** - Designed for optimal airflow and efficient positioning both on your lap or a desktop surface, the Chill Mat lets you work in cool comfort wherever your work or play may take you.
- **Generously Sized** - Accommodates up to 17" Mac notebooks.
- **RoHS Compliant** - Yes.
